

School Supplies List

2015 – 2016

The Science Academy of Chicago is working with Kits for Kids to provide customized school supplies kits for each student based on the teacher's request. Each kit will have over 40 different items. We are now taking pre-orders for the supplies kit through **Sunday, July 26**. By pre-ordering a kit through the school, you will be supporting the school and you will also avoid the hassles of bargain shopping for school supplies.

Please note that a book bag is not included. For 3rd – 8th grade, we also did not include items some required items that you may already own which include:

- Lab Coat
- Scientific Calculator (TI-36X is recommended)
- English/Spanish Dictionary
- 1 GB USB Drive
- Art Smock or old shirt for painting.

Below review the list of supplies for your child's grade level. To place an order for your kits, please complete the online form by **Sunday, July 26**.
